Direct Market Ordering Catalog for Products Shipping in August and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, East Asian comics, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the backlist spotlight section, you can easily build a kids' book display for summer reading and back to school shopping with our list of Kids' Essentials! These bestselling books for young readers make great impulse gifts to keep near the register. We've got recommendations for kids' superhero, action/adventure, and non-fiction titles as well as books for early readers (0–7 years) and activity books the whole family can enjoy together. Check out titles like ***I am Superman***, ***Godzilla: Monster Island Summer Camp***, ***Mexikid***, ***Junie B. Jones and the Stupid Smelly Bus: The Graphic Novel***, and ***Sonic the Hedgehog: The Official Coloring Book***.

In our Comics section, we are spotlighting ***Mighty Morphin Power Rangers/ Teenage Mutant Ninja Turtles III #1***, the third epic adventure in the crossover sensation from BOOM! Studios. In addition, IDW is kicking off their *Valiant Beyond* line with ***Valiant Beyond: Bloodshot #1*** —one of the first of many upcoming jumping-on points for Valiant's roster of fan-favorite characters. And from Dark Horse, we're giving a spotlight to ***Powers 25 #1***. Celebrate the landmark 25th anniversary of Brian Michael Bendis' iconic independent comic!

In our Graphic Novels section, we're spotlighting the new paperback edition of Art Spiegelman's ***MetaMaus***. A National Jewish Book Award Winner, *MetaMaus* is as groundbreaking as the masterpiece whose creation it reveals. Spiegelman probes the questions that Maus most often evokes—Why the Holocaust? Why mice? Why comics?—and gives us a new and essential work about the creative process. Compelling and intimate, *MetaMaus* has become a classic in its own right.

Our Kids & YA section this month spotlights ***King's Maker, Volume 1***. A rebellious prince, once thought dead. A noble's son, held captive by a deviant king. A bold plot that could change the fate of a kingdom. This first volume of the hit BL manhwa by Haga and Kang Jiyoung includes a fold-out poster featuring iconic art of Wolfgang and Soohyuk! This first volume is perfect for older teens and young adults, who can grow with the series as it gets spicier and more mature in future volumes. A great left-to-right introduction to East Asian Comics for YA readers who aren't ready to dive into the traditional right-to-left style!

In our East Asian Comics section, we're spotlighting ***Welcome to Demon School! Iruma-kun: IruMafia Edition 1***. In this brand-new spinoff of the runaway hit series, Iruma is a dirt-poor but kind young boy who grows up in a ruthless city slum. One day, Iruma gives a severely injured old man his last loaf of bread and nurses the stranger back to health—only to find out that the elder gent is none other than Don Sullivan, leader of the Babel Mafia! Soon after, Don Sullivan comes back, whisks Iruma away, and begs the boy to become his grandson. And just like that, the curtains rise on Iruma's chaotic new life as the next in line to a gigantic gang of—dare we say—demonic mafiosos!

Our prose section this month is spotlighting Seven Seas' novelization of the Oscar-winning film ***Godzilla Minus One***. From the writer/director of the hit film comes the English translation packed with even more action and story to celebrate Godzilla's 70th anniversary! In postwar Japan, the kaiju of legend has become even more powerful and fearsome. Can a country in shambles withstand the might of Godzilla?

And in our Games & Gift section, become your own muse with the official multi-purpose ***Lore Olympus Notebook***! Perfect for doodling, journaling, and sketching, this lavishly designed notebook includes a new cover illustration by Rachel Smythe, alternating dotted grid and blank pages, a vibrant pink-and-blue printed edge, designed endpapers, a back pocket, and art from the original comic featured throughout.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Dive into the story behind the classic *Maus*, now in paperback!

MetaMaus

A Look Inside a Modern Classic, Maus

Written by ART SPIEGELMAN

NATIONAL JEWISH BOOK AWARD WINNER

Visually and emotionally rich, *MetaMaus* is as groundbreaking as the masterpiece whose creation it reveals.

In the pages of *MetaMaus*, Art Spiegelman re-enters the Pulitzer prize–winning *Maus*, the modern classic that has altered how we see literature, comics, and the Holocaust ever since it was first published twenty-five years ago.

He probes the questions that *Maus* most often evokes—Why the Holocaust? Why mice? Why comics? —and gives us a new and essential work about the creative process.

Compelling and intimate, *MetaMaus* is poised to become a classic in its own right.

Illustrated by REED CRANDALL, JOHN SEVERIN and CARLOS BADILLA

HARROWING, TRUE-TO-LIFE WAR TALES IN THE EC TRADITION.

Before *Two-Fisted Tales* burst onto the scene in 1950, war comics were largely unsophisticated, focusing only on action and adventure—wartime propaganda, essentially. Collecting *Two-Fisted Tales* issues #36–#41, this affordable paperback edition features—in fully remastered digital color—the work of comic book greats Jack Davis, Colin Dawkins, John Putnam, Jerry DeFuccio, George Evans, Reed Crandall, and John Severin!

Written by DAVID WOLINSKY

With *The Hivemind Swarmed*, oral historian and documentary researcher David Wolinsky invites readers to sit in on a series of urgent, intimate conversations between some of the most distinguished voices across entertainment and media as they reflect on the longstanding impact of Gamergate. What went wrong, and what can we learn from Gamergate to help us build a more equitable online world?

Gamergate holds the grim distinction of being the first modern online harassment campaign. It arguably served as a model for the alt-right movement that would help propel Donald Trump to the White House. And it highlighted a toxic media culture—not just in gaming, but in film, TV, journalism, and more—in which leaders, through their passivity, took the side of the oppressor. Now, ten years later, the questions discussed here are more important than ever.

No-one in the grip of Mary Shelley's *FRANKENSTEIN*, with its mythic-minded hero and its highly sympathetic monster who reads Goethe and longs to be at peace with himself, can fail to notice how much more excellent the original is than all the adaptations, imitations, and homages which have followed in its ample wake.

In her first novel, written at the instigation of Lord Byron and published in 1818 (and revised in 1831), Mary Shelley produced English Romanticism's finest prose fiction.

Before Superman

Superhumans of the Radium Age

Edited by JOSHUA GLENN;
Introduction by JOSHUA GLENN

The weird and wonderful stories of the ancestors of today's comic-book and cinematic superheroes.

Superhumans—humans who have evolved into creatures stronger, smarter, and more gifted than we have any reason to be—first showed up in science-fictional narratives during the genre's emergent Radium Age. Originally published between 1902 and 1928, the stories and excerpts anthologized in this volume by Joshua Glenn feature the likes of Marie Corelli's Young Diana, who, having been rendered super-alluring via a rejuvenation experiment, seeks revenge on a sexist society; Thomas Dunbar, one of the first lab-created superhumans; Zoo and Yva, super-women who contemplate the extermination of us mere mortals, thanks to George Bernard Shaw and H. Rider Haggard; and Alfred Jarry's André Marcueil, a scientist who develops a super-sexual capacity.
